

Concrete Show in Sao Paulo

KTI-Plersch Kältetechnik will be exhibiting again at the Concrete Show 2010 in Sao Paulo, Brazil. Therefore we would like to take the opportunity to welcome our valued guests at our booth,

Sao Paolo, Brasil
25 – 27 August 2010
Stand Nr 487

Together with the local press KTI-Plersch will present their new Employees of the lately founded company KTI do Brazil.

This is one reason why the GM of KTI-Plersch and the GM of Sauter Plersch AG will be at the exhibition. During the exhibition we will inform our guest about the latest products and projects in South America, e.g.

- Jirau Dam, Brazil
- Sogamoso Dam, Columbia
- Energy Efficient Flake Ice Plant

(Jirau Dam)
